

Logo Usage

For legibility, use the light logo on dark backgrounds and the black logo on light backgrounds.

Logo Usage

The logo must have padding on all sides equal to at least half of its height.

Don't:

- change the layout or hierarchy of the logo
- use any variation of the wordmark without the symbol
- resize the symbol or wordmark separately
- rotate the logo in any direction
- stretch or distort the logo
- recolor the logo
- apply drop shadows to the logo
